# DESIGN APPROACH

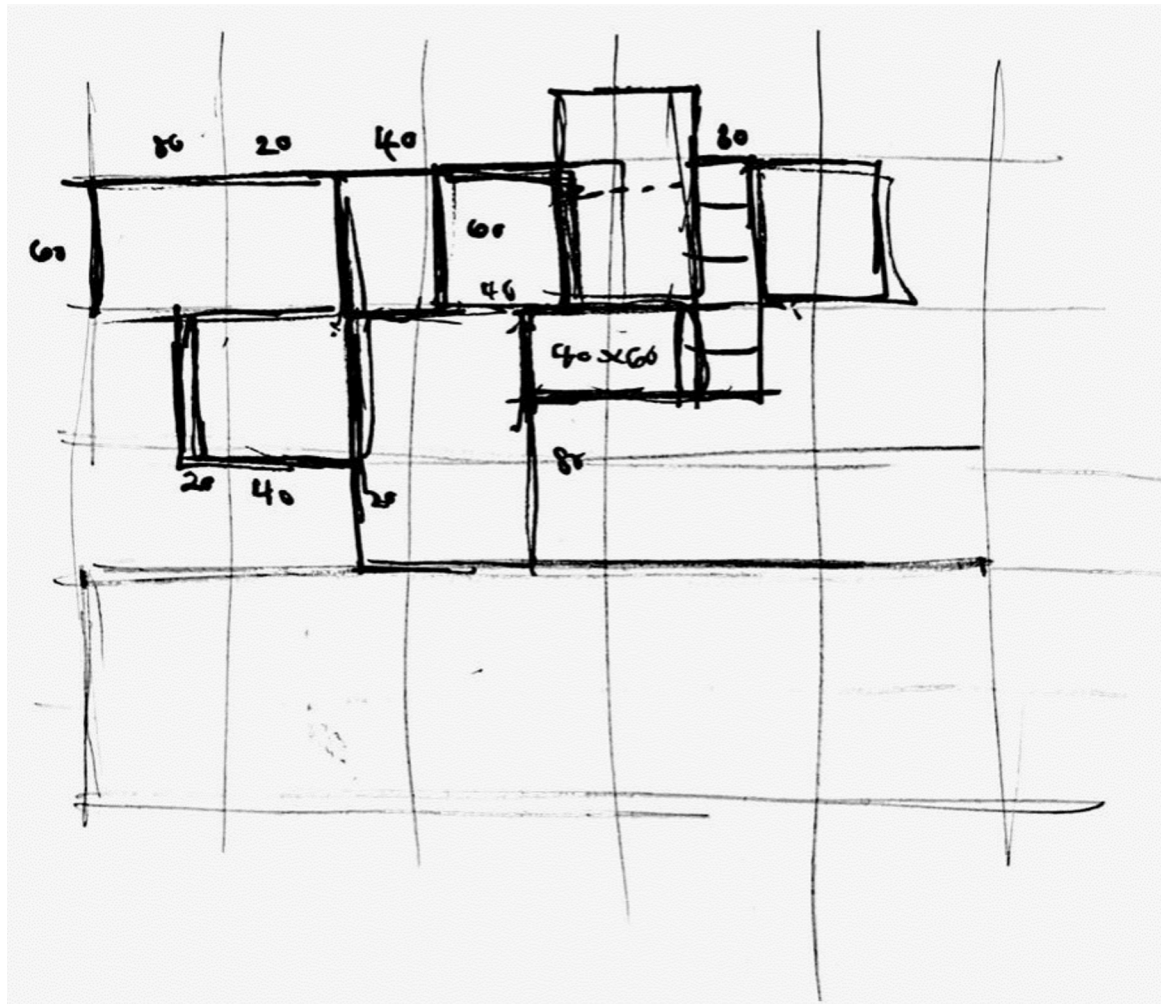

The vision in expressing Egypt's culture, tradition, and holydays; by simulating its aesthetics in a simplified and abstract visual framework. Embracing this vision by enhancing the Egyptian identity in the design. With concerning the Arabesque art as our excellence lie in the soil of our heritage. Presenting the joyful spirit by considering the delightful trendy colors in a modern design.

## THE STORY

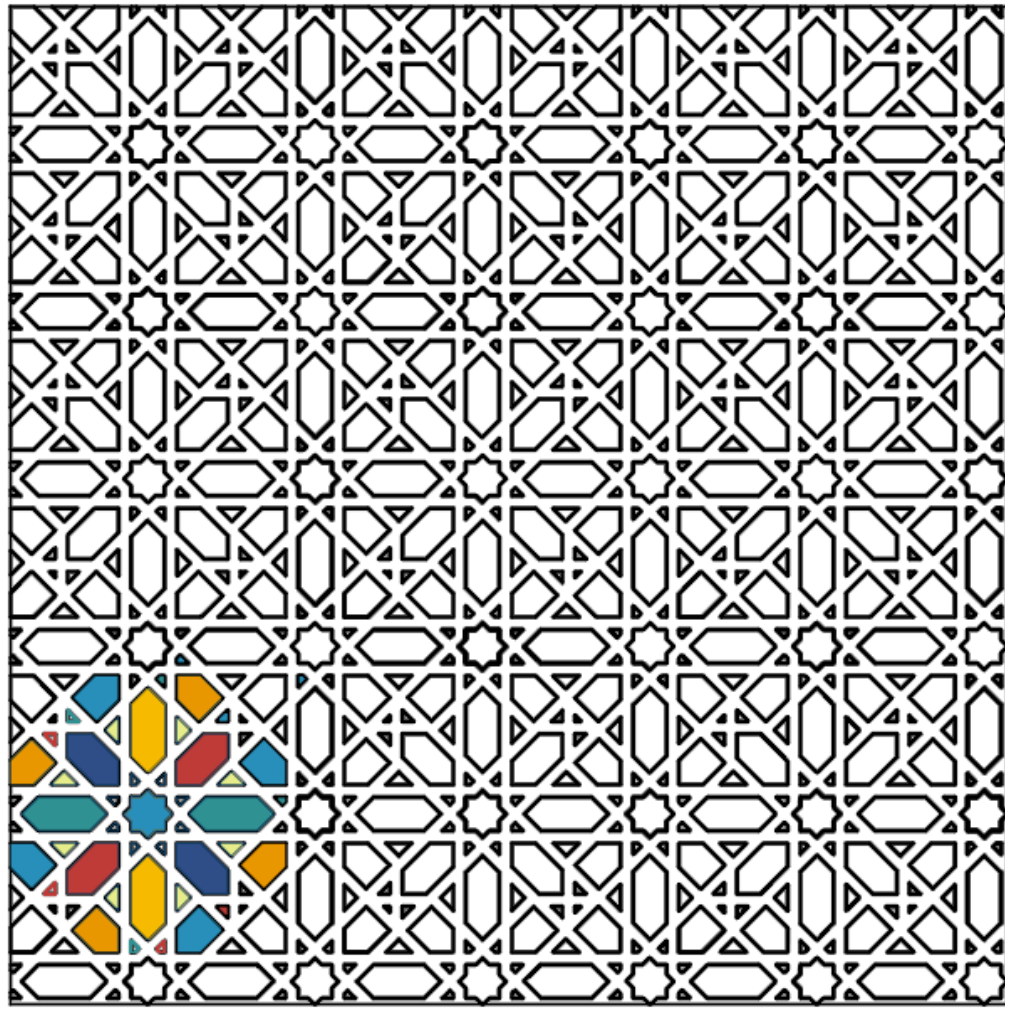

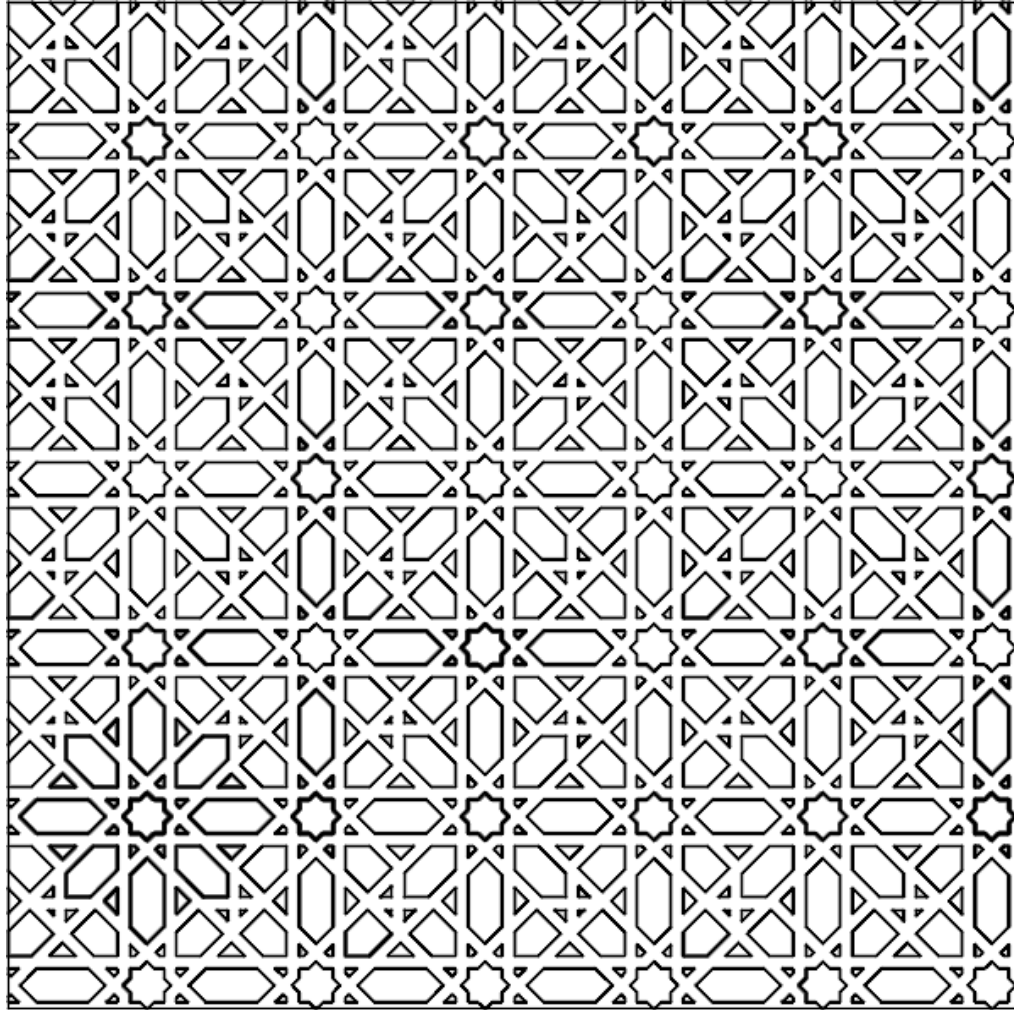

# MOOD BOARD

“ **Ala Zoa’ak** “ is a collection with variety of designs designed on different sizes based on modularity where the user can mix and match upon his taste.
