**INSPIRATIONAL  
MOOD BOARD**

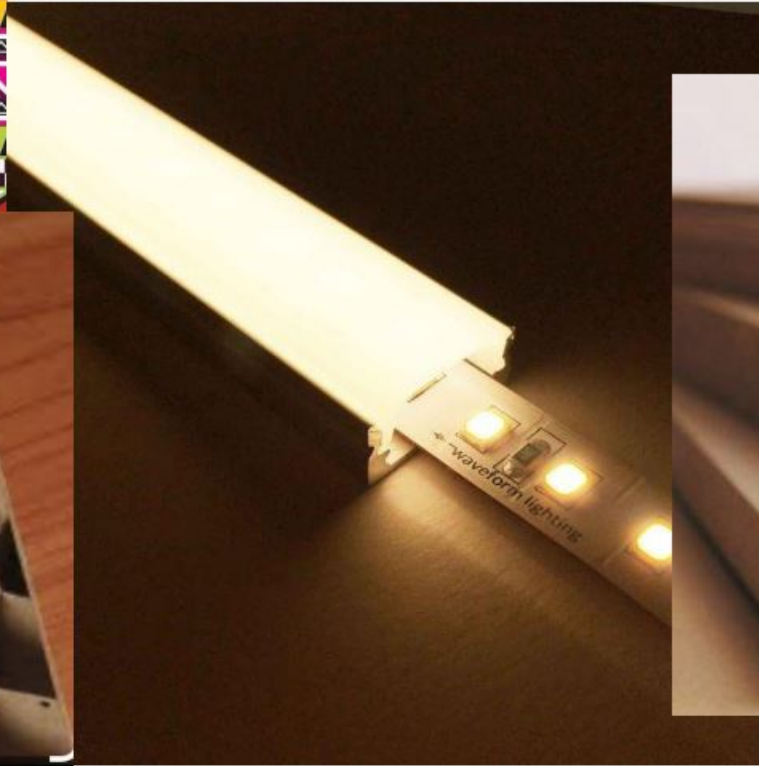

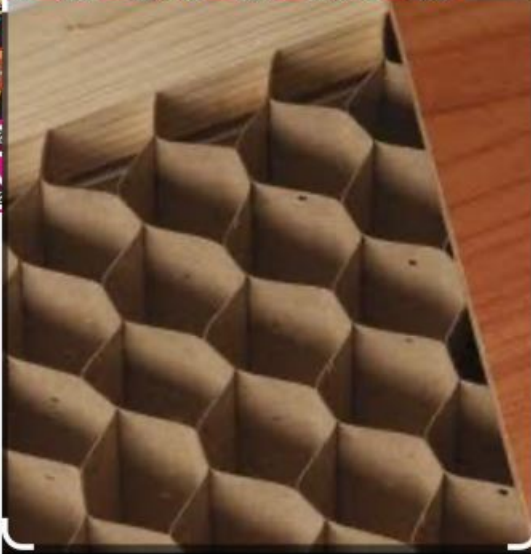

There are many drawing spread on the walls of the Nubian houses, including triangles, because there are 2 beliefs among the Nubians that the shape of the triangle resembles a veil that prevents the entry of magic and evil spirits into the house, so they draw it on the walls of the house, so we took the shape of the triangle in the design to always feel that it protects it from evil spirits and from everything terrifying

## CONCEPT

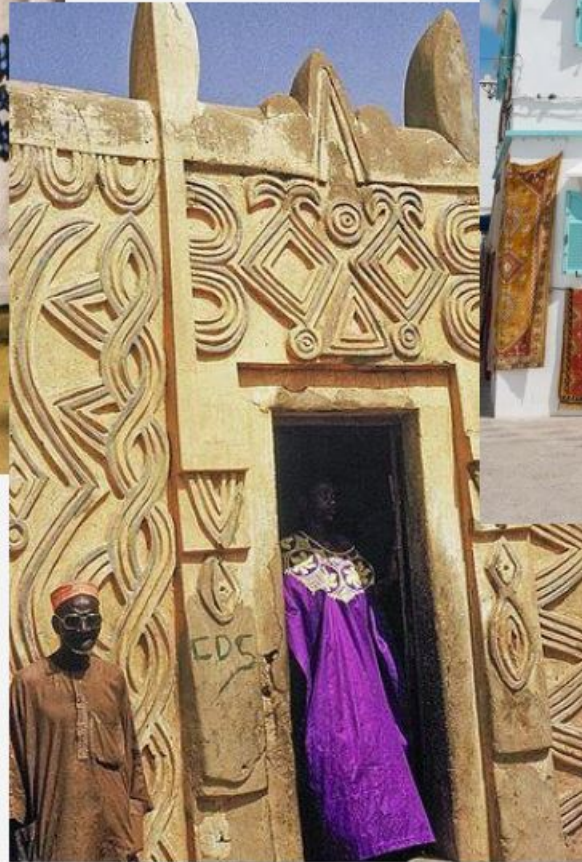

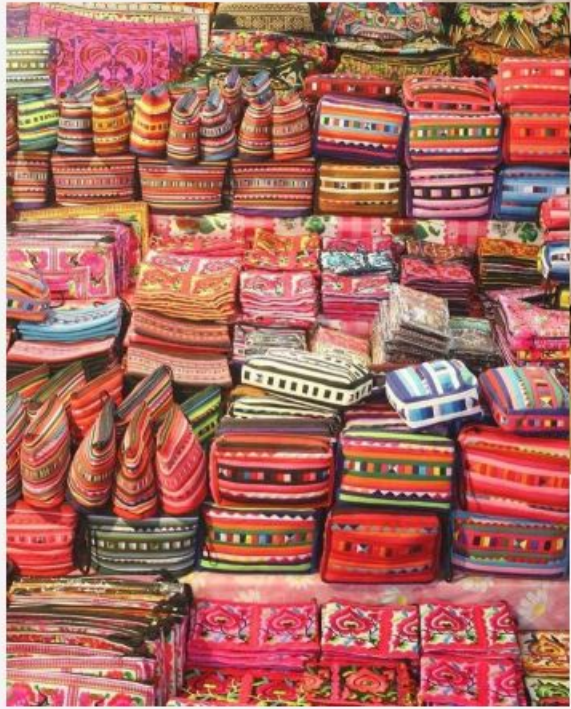

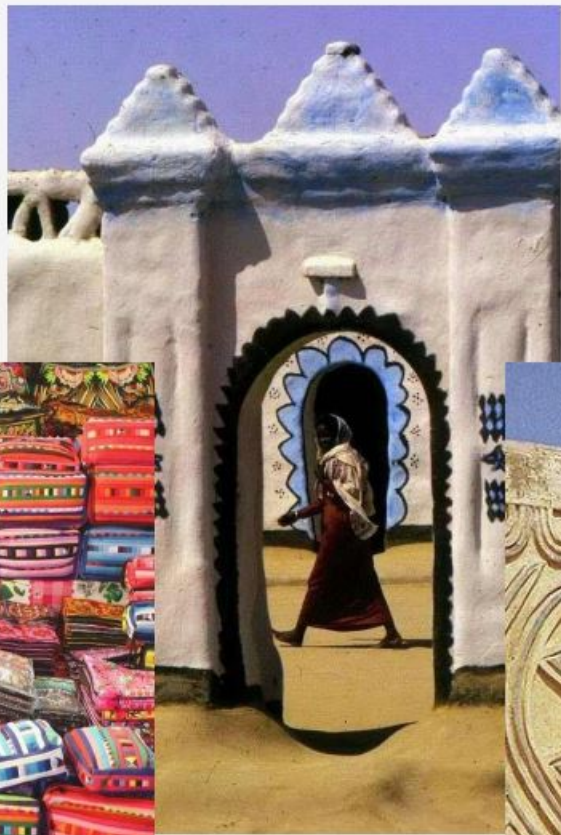

and another belief that the shape of the triangle, they belong to the origin of humanity, which came out of the Sons of our master Noah (Sam, Ham, Japheth), which is the symbol that we consider an icon of the origin of humanity , and they are keen to have it in the facades of houses Therefore, we have used it on pieces that are designed to always feel a return to the origin of humanity and enjoy this feeling inside his home
